Re: Connor v. GMACM, et al
Ferry County Superior Court Case No. 11-2-00098-6
Our File No. 20809-059

Dear Judge Nielson:

As you may remember, I represent the defendants in the above-referenced matter. Mr. Connor, the plaintiff, filed a motion in GMAC Mortgage, LLC's ("GMACM") bankruptcy action regarding Orders entered in the state court matter after GMACM's May 14, 2012 Chapter 11 bankruptcy filing. Mr. Connor's position appears to be that he was not able to protect his interests in the state court action because of the bankruptcy stay. I wanted to advise the court that, in order to ensure complete fairness to Mr. Connor, a *pro se* litigant, and in an abundance of caution, GMACM's bankruptcy counsel is asking the bankruptcy court for relief from the bankruptcy stay so that I may file a motion to vacate the post-bankruptcy orders entered in the state court action and to re-submit the motions and orders on behalf of the non-bankrupt defendants. We should be filing such a motion in the state court action in the next 7 to 10 days and, hopefully, the above explanation will minimize any confusion regarding defendants' anticipated motion.

Please have your clerk contact me with any questions.

Very truly yours,
